Address (Print)

Dear

Project Lead

Re:

Address of Project (Print)

Name of Project (Print)

Legal Description of Project (Print)

This is to advise that I am the professional engineer or designer appointed by the owner to coordinate the Field Review of Construction of municipal services for the above referenced project.

I hereby certify as the Engineer for this project that I will coordinate the Field Review of Construction for the installation of sewer services on private property.

Complete both pages

I also certify that

- 1) I will provide, HRM Development Engineering Group, at least 48 hour notice prior to commencing construction of the sewer services;
- 2) I will coordinate the completion of as-built drawings and service record card(s);
- 3) I will coordinate the review of changes to the design documents; and
- 4) I will complete or have completed by the appropriate professional the Engineer's Certificate of Compliance for Municipal Services and service record card(s) and return it to the Halifax Regional Municipality prior to requesting the occupancy permit.

Please be advised that I may delegate some or all of my duties associated with the coordination of the Field Review of Construction to another person employed by me or my firm where it is consistent with prudent professional practice to do so. The functions will however be performed under my supervision in accordance with the Engineering Professional Act.

The undersigned shall notify the Halifax Regional Municipality, in writing as soon as practical, but not later than 72 hours, if the contract for Field Review of Construction for the sewer services is terminated at any time during construction.
