**Active Transportation Advisory Committee
Draft Minutes
May 16, 2024**

The Committee noted the following:

- Inclusion of standards and measured data on intersections for walking, biking, and driving
- Provincial amendment to the *Nova Scotia Motor Vehicle Act* on approving jurisdiction autonomy to the Municipality
- Provincial approval on red light signals, photo radar pilots, summary offense tickets, reducing speed limits to 40 km/per hour within residential communities
- Mandate on accessing intersections, restricting right turn on red lights, better road signage, intersection design, and road sign education
- Road maintenance, near miss data collation, and encroachment/detour on sidewalks
- Concerned with the length of time between road safety reviews

MacIntyre spoke to Key Performance Indicators being used to ensure safe driving within the community and working on legislation changes with the Province.

9.1.2 Active Transportation Update

David MacIsaac, Manager, Active Transportation gave an update on the May 29, 2024 public engagement session on AAA bikeway connections in Dartmouth, engagement sessions planned for the summer on the Alderney Drive functional plan, Grahams Grove, Penhorn, Westphal, and Main AT Connections Project. Staff was also conducting neighbourhood engagement on sidewalk development at Astral Drive and Tremont Drive.
