**THAT the Heritage Advisory Committee recommend that Halifax Regional Council approve the proposed substantial alteration to 1262 Bedford Highway, Bedford, which includes the rehabilitation and conservation of the circa 1855-58 Classical Vernacular style residence known as 'Honeycote'.**

Cushing responded to questions of clarification from the Committee. Cushing spoke to character defining elements and clarified that during staff's assessment of the property none were identified in the addition.

Cushing spoke to the conservations of mature trees and structural engineering measures to protect the heritage assets during relocation.

Some members raised concerns with the asymmetry of the rear addition relative to the heritage building, and concerns regarding perceived incongruity of massing and design elements. Other members expressed the view that these contributed to the heritage protection by distinguishing the heritage assets.

**MOTION PUT AND PASSED.**

**9.1.3 Case HRTG-2023-01426: Substantial Alteration to the municipally registered heritage property at 86 Ochterloney Street, Dartmouth**

The following was before the Committee:

**THAT the Heritage Advisory Committee recommend that Halifax Regional Council approve the proposed substantial alteration to 86 Ochterloney Street, Dartmouth, which includes the rehabilitation and conservation of the vernacular Gothic Revival style residence built circa 1863.**

Some members expressed concerns that the massing of the structure was too large and detracted from the heritage assets.

**MOTION PUT AND PASSED.**

**9.1.4 Case HRTG-2023-00650 – [Supplementary Report] Proposed Demolition of a Municipally Registered Heritage Property at 1259 South Park Street, Halifax**

The following was before the Committee:

- Supplementary staff report dated September 20, 2024
- Staff report dated January 31, 2024
- Staff presentation dated October 8, 2024

Brian MacDonald was recused from the meeting during consideration of this item having declared a conflict of interest in the matter, as a volunteer for the Holy Cross Cleanup Crew and a chair of a committee of the Archdiocese. Brian MacDonald stepped down from the Chair and Tyler Brothers assumed the Chair.

Carter Beaupre-McPhee, Planner III gave a presentation and responded to questions of clarification from the Committee.

MOVED by Councillor Hendsbee, seconded by Danielle McCabe

**THAT the Heritage Advisory Committee:**

1. **Rescind the motion passed on February 27, 2024 as item 9.1.3; and,**
2. **Recommend that Halifax Regional Council:**

- a. **Set a public hearing date to consider the proposed demolition of the registered heritage property and contributing heritage resource at 1259 South Park Street, Halifax, in accordance with Attachment G of the staff report dated January 31, 2024 and By-law H-700 (the Schmitville Heritage Conservation District By-law);**
- b. **After the public hearing, approve the application by the Archdiocese of Halifax-Yarmouth under the Heritage Property Act to demolish the registered heritage property at 1259 South Park Street, Halifax, subject to the following conditions:**
  - i. **The stone masonry wall on the northern boundary of the subject property must be retained in-situ;**
  - ii. **The original 1846 stone foundations of the Cemetery Keeper's House (1259 South Park Street) must be retained in-situ and daylighted (made visible to the public);**
  - iii. **Interpretive signage explaining the heritage significance of the foundations must be installed by the applicant near the foundations;**
  - iv. **Any columbaria or other structures to be erected on the property must be built within and/or around the foundations without removing or unduly obscuring the foundations; and**
  - v. **The applicant must comply with Schmitville HCD By-law requirements for a Certificate of Appropriateness for any new buildings or structures, including columbaria; and,**
- c. **Direct the Heritage Officer to issue a Certificate of Appropriateness in accordance with the Schmitville Heritage Conservation District Plan and By-law for the demolition of the contributing heritage resource.**

Beaupre-McPhee responded to questions of clarification from the Committee. Beaupre-McPhee clarified that a condition of approval would include the installation of an interpretive panel regarding the architectural features of the historical structure. The design of a new columbarium would be subject to review by heritage staff, and staff would require a design which did not unduly obscure the original foundations. Beaupre-McPhee clarified that few if any of the original heritage assets within the structure were salvageable due to wood rot and other damage, and adding additional conditions would require the matter to return to staff for further negotiations with the property owner.

**MOTION PUT AND PASSED.**

Brian MacDonald rejoined the meeting at this time and resumed the Chair.
